

## **Summit Group Software Named to 2010 President's Club for Microsoft Dynamics**

*Summit Group Software is recognized by Microsoft for commitment to customers.*

**FARGO, ND — JULY 13, 2010** — Summit Group Software has been named to the 2010 President's Club for Microsoft Dynamics. This is the second time Summit Group Software has achieved this honor. This achievement is a direct result of Summit Group's outstanding dedication to customer satisfaction through the delivery of innovative business solutions. This acknowledgment came during the Microsoft Worldwide Partner Conference (WPC), Microsoft's annual premier partner event, held this year in Washington, D.C.

President's Club for Microsoft Dynamics honors high-performing Microsoft Dynamics partners whose commitment to customers is reflected in their business success and growth. This prestigious group represents the top five percent of Microsoft Dynamics partners worldwide. Membership is granted based on the partner's continual, committed efforts aimed at offering solutions that meet the needs of their customers.

"Microsoft is proud to recognize Summit Group Software for its outstanding sales achievement," said Doug Kennedy, vice president of Microsoft Dynamics Partners. "This honor is a direct reflection of Summit Group Software's outstanding group of employees and management team, all of whom should be very proud of this accomplishment. Summit Group plays a very important role in the growth and success of Microsoft Dynamics."

Summit Group Software helps their clients align IT investments with business strategies. By collaborating with the teams at Microsoft, Summit Group Software maintains a comprehensive understanding of the Microsoft Dynamics platform to provide innovative solutions, services and unparalleled value to their Microsoft Dynamics customers throughout the United States and Canada. Summit Group Software specializes in Microsoft Dynamics CRM and Microsoft Dynamics GP; developing and deploying solutions that deliver competitive advantage and significant productivity to their clients.

"Achieving President's Club for Microsoft Dynamics for the second time is a great achievement for our team. What matters most is what we believe this achievement stands for; our commitment to our customers, our employees, and the communities we collectively serve," said Eric Gjerdevig, President, Summit Group Software.
