

Miller & McKenna Consulting merging with Summit Group Software, Inc.

West Fargo, ND — November 19, 2010

Summit Group Software, Inc., and Miller & McKenna Consulting announce they are joining forces. Today, Summit Group Software has announced that Miller & McKenna Consulting has joined forces to further enhance the Summit Group team. Miller & McKenna Consulting, has a strong presence in Northern Minnesota and Northwestern Wisconsin. With this move, Summit Group Software will further enhance their presence throughout the Mid-West region. Summit Group Software is a provider of software and services for Microsoft Dynamics GP, Microsoft Dynamics CRM, Microsoft SharePoint, and custom application development.

"We have worked with Miller & McKenna Consulting over the last year and are very excited to merge their business operations into ours. Our Minnesota and Wisconsin based customers will have access to many enhanced services through this merger" said Eric Gjerdevig, President of Summit Group Software. "The merger enables us to provide greater services to our customer base and achieve improved operating efficiency," said Jody Miller, CEO at Miller & McKenna Consulting. Miller went on to say, "Particularly in this challenging economy, customers want the convenience of working with one trusted firm that can develop and integrate solutions across the entire Microsoft stack of technology".
