

Summit Group Software Named to 2011 Microsoft Dynamics President's Club

WEST FARGO, ND — July 13, 2011 — Summit Group Software, a Microsoft Dynamics Gold Certified partner, has been named to the 2011 Microsoft Dynamics President's Club for the third time in the past four years. This achievement is a direct result of Summit Group Software's outstanding dedication to customer satisfaction through the delivery of innovative business solutions.

The Microsoft Dynamics President's Club honors high-performing Microsoft Dynamics partners whose commitment to customers is reflected in their business success and growth. This prestigious group represents the top 5 percent of Microsoft Dynamics partners worldwide. Membership is granted based on the continual, committed efforts aimed at offering solutions to meet the needs of their customers. This acknowledgment came during the Microsoft Worldwide Partner Conference 2011 (WPC), Microsoft's annual premier partner event, which took place this year in Los Angeles.

"Microsoft is proud to recognize Summit Group Software for its outstanding sales achievement," said Doug Kennedy, vice president, Microsoft Dynamics Partners. "This honor is a direct reflection of Summit Group Software's outstanding group of employees and management team, all of whom should be very proud of this accomplishment. Summit Group Software plays a very important role in the growth and success of Microsoft Dynamics."

Summit Group Software is dedicated to helping customers throughout the United States and Canada find the best solutions and services to accommodate their business needs and further their success, while excelling in customer satisfaction. Summit Group Software provides implementation, training, and consultation for small, midsize, and corporate businesses using business enterprise applications. Summit Group Software specializes in Microsoft Dynamics GP and Microsoft Dynamics CRM.

"As an employee-owned company, our staff is very excited by what this award stands for; delivering great solutions and exceeding customer expectations," said Eric Gjerdevig, President of Summit Group Software. "It is confirmation of the work and effort our team puts in every day to help our customers succeed."
